Ing. Janka Levická
Head of Product Certification Body

Technical data

The summary of the test results is listed in the data sheet – see Annex to this certificate.

Test methods : according to EN 12975-2:2006

Test results : Test Report No. 110700001/1/PQ dated 30.09.2011

Test Report No. 120700004/1/P dated 03.12.2012

Test Report No. 120700004/2/P dated 03.12.2012

Note:

- The freeze resistance test according to EN 12975-2, clause 5.8 was not necessary. According to the manufacturer's safety instructions, in regions exposed to frosts a premixed antifreeze have to be used.
- The optional impact resistance test according to EN 12975-2, clause 5.10 was not carried out.
